## NEW THIS WEEK

**From the Principal:** "A Mighty Fortress is Our God" was a hymn written by Martin Luther between the years 1527 and 1529. The main theme that we hear in the song is about the support that we have in Christ. We are weak and unworthy. However, through the grace that God has given us, we are forgiven. We are saved. We are no longer weak because of the strength of the Lord. Each day, we are faced with the "evil foe," Satan. We need not fear the guilt we feel any longer, for the Lord has taken those upon himself on the cross. May we continue to march on to this tune in our daily lives, recognizing the valiant fight is won; Christ is our champion!

Blessings on the rest of your week.

In Christ,

Jace Fellers, Principal

## NEW THIS WEEK CONT.

Greetings in the name of our Lord and Savior, Jesus Christ. All things come from him. The gifts and abilities we have through Christ were on display this last weekend at the Science and Fine Arts Fair at Luther High School. Students displayed artwork and showed off their skills in math, spelling, and chess. Below we have posted the results from the event. On Friday, November 8<sup>th</sup>, we will be distributing the ribbons from the events. Thank you, parents, for the continued support and thanks to the Lord for the gifts we all have. To him be the glory!
