NEW THIS WEEK

From the Principal: On October 19th, we had the opportunity to have our school's Fall Festival. This week, we have Wednesday through Friday off. In all, that is a lot of fun times and relaxation, right? The students get that time to take a break from their school work. However, the break will end and they will have to return to school; returning to the homework, the assessments, the projects. As teachers, we will be having our State Teachers' Conference during the break. We, too, get a break from being in the classroom, but we have work to be done during the time out of it. For parents, you may have more work now that school is out; having to figure out babysitters, meals for the children at home, taking time off yourself. In all, time that we get for "relaxation" can be anything but relaxing.

However, though work may be a constant in our lives, we have no need to feel weary and burdened. All of the burdens of work, lack of time, and daily complications fall upon our Lord's shoulders. We have the promise of eternal, perfect life with our God. May we be reminded of this daily and put our trust that the Lord loves and cares for us. We continue to remember our school theme: Fix Your Eyes on Jesus.

Blessings on the rest of your week.

In Christ,

Jace Fellers, Principal

No School on Wednesday, October 23rd, through Friday, October 25th, due to the State Teacher's Conference in Milwaukee.
