NEW THIS WEEK

From the Principal: This past week marked our first home basketball game of the season. I recall hearing a student talking about their nerves this past Friday morning. They mentioned how they hadn't played a game in what felt like years. For some, it was their first basketball game ever. Here at CSJ, we encourage the students to try new things. Fear and worry may creep into our actions, but what a blessing it is to have the opportunity to play with fellow believers in our Lord and Savior!

There is, at times, the opposite side of trying new things. There is our fear that children come across things in life that are not good for them to try. As teachers and parents, it is a constant fear. However, we have the benefit of sharing God's truth with the children. At CSJ, we are preparing the children to go out into the world living as children of the Lord. We teach them the truth and deter them from worldly desires and false teachings. May the students continue to trust the truth of the Lord in school, out of school, and when they have left CSJ. We pray they continue to follow our theme of the year, "Fix Your Eyes on Jesus" in all that they do.

Blessings on the rest of your week.

In Christ,

Jace Fellers, Principal

Our First Semester Mission Offering will be sent to the Crossing Bridges Program in the Detroit area. This program helps to provide a Christ-centered education to the children of the Palabra de Vida Church in Detroit. Offerings to date total **\$554.26**.

NEW THIS WEEK CONT.

Next Singing Date: 1st through 4th grade will be singing at Christ Lutheran during the 8:00 a.m. service on Sunday, November 17th. The children will meet in the multi-purpose room at 7:45 a.m. to warm up. They will sing after the sermon. The children will sit with their parents and then come to the front when it is time to sing. Please let your child's teacher know if your child will not be attending.

End of 1st Trimester for the 3K, 4K and 5K classrooms is Friday, November 22nd.

3K, 4K & 5K Parent & Teacher Conferences: Communication is important for your growing scholar. Parent & teacher conferences are a wonderful tool to help the student, parents and teacher to work together for the success and confidence of the student. It is during this conference that both parents and teacher come together to discuss the growth and development of the child and set goals. The Early Childhood Program will have parent & teacher conferences beginning on Monday, December 2nd, through Thursday, December 5th. A link to sign up for a conference time will be sent out later this week. Please sign up for one session that will work for you and your family to meet with your child's teacher. Please make arrangements to have someone watch your child while you meet. Thank you!

Happy Thanksgiving! There will be no school on Wednesday, November 27th, through Friday, November 29th. School resumes on Monday, December 2nd.
