NEW THIS WEEK

In just the last week we have seen a major change. The grass is growing and we are starting to think about mowing soon. The flowers are popping up. The buds in the trees are more noticeable. It is nice to see. It is great to be able to get outside and enjoy the weather.

Yet, we all realize it doesn't last too long. Before we know it the leaves will be dropping again, and the flowers will disappear. This reminds us why Christ-St. John's is so blessed by the Lord. Our God reminds us in Isaiah 40:8, "The grass withers and the flowers fall, but the word of our God stands forever."

Everything around us eventually falls. That even includes us. But the hope that we have in the Lord who has given us his eternal word is forever. This is the comfort we are reminded of each day. Jesus lives. Because of Him we have life that is eternal.

So, enjoy the springtime. Enjoy the outdoors. But remember what lasts. The word of our God endures forever.

In Christian love,
Pastor Schultz
