NEW THIS WEEK

“Forward in faith” has been our theme for this school year. The goal of Christ-St John’s is to provide an education backed by the love which Christ has shown to us in his death and resurrection. We, then, go forth to live in our faith. What a blessing to have this gift given to us. As we move into the summer and, from there, into our future education, we have the assurance of that truth of Christ’s forgiveness and love.

Our final week of the school year has approached quickly and arrived! This past week, the students had the opportunity to participate in Olympic Day. They had the chance to run around and have fun with their fellow students here at CSJ. It was very encouraging to see the students cheer for one another as they participated in the games planned for them this year.

As we move into the summer, keeping to our school year theme, as a faculty, student, and parent, we are to continue “forward in faith.” Keep our eyes set on the Lord in all we think, see, and do. We pray for a restful summer and also a summer focused on the truth; that truth of Christ’s death and resurrection.

Blessings on the last week of school and on your summers!

In Christ,

Jace Fellers, Principal in Training

Friday is the Last Day of School! The Faculty and Staff pray you have a happy and relaxing summer! Keep on learning!

Congratulations to the graduates of Martin Luther College this past Saturday. Two alumni from CSJ graduated on Saturday. St. John’s member, Katie Tauscher, has been assigned to First Light Early Learning Center in La Crosse, as an ECE teacher and Christ Lutheran member, Noah Cook, will be going on to Wisconsin Lutheran Seminary in Mequon, WI., in the fall to further his studies in becoming a Pastor. We wish both Katie and Noah God’s richest blessings as they continue to spread the Gospel to others.

Medication Reminder: If you have medication for your child here at school, please pick it up in the school office on the last day of school. Thanks!

School Accounts: Please bring your lunch, surround care and tuition accounts up to date. Having all accounts up to date makes it easier to meet expenses that continue over the summer months. If you have any questions regarding your accounts, please contact the school office. Thanks!
